

# **We want to install free sanitary items in all restrooms at Saitama University!**

**Thank you for your cooperation in filling out the questionnaire.**

Estimated answer time  
1 minute

**← Answer here**

We thought that by installing free sanitary products in the all toilet room for all gender, we could make university life more comfortable and create an opportunity for more people to reconsider their awareness of menstruation! For more information, please visit [Instagram@springup\\_saitama](#).

This survey is conducted by "Spring Up", an organization based at Saitama University, with the cooperation of the Center for Gender, Diversity and inclusion at Saitama University.
