

## [ AY2025 Annual Student Health Checkup ]

We are going to conduct an AY2025 annual student health checkup as follows.  
Eligible students: Undergraduate and Graduate students.

### All checks must be taken on the same day.

#### ● Checkup Items

Chest X-ray / Internal medical checks ( all new students / current students who need them )

Height and Weight / Blood pressure / Vision ( bring your glasses if you wear ) / Urinalysis

Web Questionnaire (only Japanese)

※ You can also fill out a paper English medical questionnaire on the day of Daigaku kaikan.

#### ● Urinalysis

《 Container 》

For current students, please pick up the container at Health Service Center on and after March 5.

You can also get a urin test kit at the Daigaku kaikan on the day of your health check up.

On the day of your check up, collect a sample of your first urination of the day using the paper cup, and transfer it to the specimen jar. (There is a paper cup in the paper bag.)

Close the cap tightly and put it in the paper bag for the urin test. Write your ID number, affiliation and name on the bag.

#### ● Belongings

1. Student ID Card

2. Urine sample of your first urination of the day collected in the specimen jar.

3. T-shirt of solid color (without any patterns and letters )

4. Plastic bag for your shoes

5. Glasses if you wear

#### ● Results of Health Checkups

The results of your checkup can be issued as a "Health Checkup Results" by a certificate-issuing machine after the end of May.
